WEEKLY REFLECTION

"He said to the gardener, 'For three years now I have come in search of fruit on this fig tree but have found none.'" - LUKE 13:7

We can all be like the barren fig tree at times. Do you cling to what you have, or do you generously share with others? How will you respond when God asks you what you have done with all the gifts He has given you? Remember, not only are we called to be generous; we are called to develop and nurture our gifts; and return them with increase. We are called to be generous with all of gifts; especially the one that means the most to you.

ST CLEMENT'S DISCIPLE MAKER INDEX

We are excited to share that St. Clement's is participating in the disciple maker index. This is an undertaking by the ATL Archdiocese to examine the strength and weaknesses of all participating parishes so that the best and most fruitful resources can be shared. The goal is to come alongside each parish and assist them as they grow disciples. Please take some time to complete the survey and share your thoughts about our parish.
